Yamaha V-Star 650 Classic 98-10

Instruction Manual >

02-4701/02-5201/02-5701

Your sissy bar will install in just a few minutes using common tools. Read all instructions carefully and completely before installing your new sissy bar.

- Remove the two (2) rear bolts on each fender rail.
- 2. Install the brackets with the bent portion toward the inside (part number) using supplied 8mm x 40mm bolts and tighten. Brackets will mount on the outside of fender rail.
- 3. Install the sissy bar to the brackets using the supplied 8mm x 16mm bolts and tighten.
- * Cobra recommends you always wear a helmet while riding. Please never operate your motorcycle while under the influence of alcohol and/or drugs. Enjoy the new look of your motorcycle and please ride safely.
